Route	<p>54 km 4 Stunden</p> <p>The graph displays the elevation profile of a 54 km mountain bike route. The vertical axis represents elevation in meters, ranging from 650 m to 1200 m. The horizontal axis represents distance in kilometers, from 0 to 50 km. The route starts at approximately 950 m, reaches a peak of 1163 m at the 'J. Stierich Hoag' point (around 7 km), descends to a valley of about 930 m, then rises to another peak of 1104 m at the 'Sveigis Hoag' point (around 24 km). It then descends to a low point of about 700 m (around 35 km) before rising again to a peak of 1104 m at the 'Kinnarand Laga' point (around 42 km) and ending at approximately 1150 m. Icons for a cup, a fork and knife, and a wrench and screwdriver are placed along the route at various points.</p>
